

CONFLICT OF INTEREST CODE FOR THE
OFFICE OF INFORMATION SECURITY & PRIVACY PROTECTION

The Political Reform Act (Government Code Section 81000, et seq.) requires state and local government agencies to adopt and promulgate conflict-of-interest codes. The Fair Political Practices Commission has adopted a regulation (2 Cal. Code of Regs. Section 18730) that contains the terms of a standard conflict-of-interest code and may be incorporated by reference in an agency's code. After public notice and hearing, the standard code may be amended by the Fair Political Practices Commission to conform to amendments in the Political Reform Act. Therefore, the terms of 2 California Code of Regulations Section 18730 and any amendments to it duly adopted by the Fair Political Practices Commission are hereby incorporated by reference. This regulation, and the attached Appendix designating positions and establishing disclosure requirements, shall constitute the conflict-of-interest code of the **Office of Information Security & Privacy Protection (OISPP)**.

Individuals holding designated positions shall file their statements with the **OISPP**, which will make the statements available for public inspection and reproduction. (Government Code Section 81008.) Upon receipt of the statement of the Executive Officer, the **OISPP** shall make and retain a copy and forward the original to the Fair Political Practices Commission. Statements for all other designated positions will be retained by the **OISPP**.
